No worries, thank you! Can you share Alice's email with our team as well just to make sure the neighbor's concern is addressed?

Hi Brad,

Since we don't have the resources to have another team go out it would be best to add it to the CARE team instead.

Thank you for understanding!

Does LASAN have any teams that can be deployed to do this or should I move around our CARE deployment schedule and make a note of it?

Thanks,
Brad

Subject: Riverside Drive & Forman -abandoned matt & makeshift toilet facility

To: <brad.fingard@lacity.org>

Hello Brad,

There was an individual experiencing homelessness at this location who was placed at a safe and secure last week. There are items that have

been left at this location that require attention.
So glad that the individual has a place now, but the business community in the Village is asking for immediate (removal of these items) results as they do not want another individual to decide to set up camp there at the Bus stop.
The area must be effectively disinfected and sanitized. Could a team go out as early as tomorrow (Tuesday) morning to do this work?
Please advise.

Thank you.
